

Kunnskap for en bedre verden

Subtitle.

April 19, 2023

Contents

A typical slide

- ▶ Start with an introduction
- ▶ Use `itemize` or `enumerate` to organize your main points.

Example

Rather than freely writing text in the frame, the use of blocks (such as this) is recommended. Here you can find a short introduction to the basics of beamer:

1. <https://www.overleaf.com/learn/latex/beamer>
